License Terms

The following license governs the use, modification, and distribution of this software:

1. Usage Restrictions

- **Non-commercial Use Only**: This software is intended solely for academic and research purposes. Any commercial use is strictly prohibited without prior written consent from the developers.
- **Research Purposes**: The software must not be used for clinical, diagnostic, or other medical decision-making applications.

2. Redistribution and Modification

- **Limited Redistribution**: Redistribution of this software or any derivatives is restricted to authorized members of SNU LIST Laboratory. Sharing outside the laboratory is not permitted without explicit approval.
- **Modification**: Users may modify the software for personal research purposes but may not distribute the modified version outside the authorized lab without prior written consent.

3. Disclaimer of Warranty

- **"As-Is" Software**: This toolbox is provided "as-is" without any express or implied warranties. The authors are not liable for any damages or issues arising from its use.
- **Data Validation**: Users are responsible for verifying the accuracy and validity of results obtained using this software.

4. Reporting and Feedback

- **Feedback**: Users are encouraged to report bugs or issues to *snu.list.software@gmail.com* for continuous improvement.
- **Collaboration**: For advanced use cases or data processing beyond the supported scope, users may contact the developers for potential collaborations.
